Lincoln Land Charity Championship to Offer Chip In FORE Charity Program

SPRINGFIELD, Ill. – The Lincoln Land Charity Championship will launch a Chip In FORE Charity program for the first time to help raise additional funds for Central Illinois charities. This program offers 501©3 Not-for-Profit organizations the opportunity to raise much needed dollars via the sale of general admission tickets to the tournament.

The Chip In FORE Charity program gives nonprofit organizations an exclusive opportunity to promote the purchase of tournament tickets that will directly benefit their organization. In fact, 100% of the proceeds from each ticket sold via Chip In FORE Charity goes to the participating organization that is designated by the purchaser during the buying transaction.

“Chip In FORE Charity is a great program because it allows us to make a larger charitable impact and our charity partners can raise a limitless amount of money to help their organization, all with no cost or risk to the agency” said Executive Director, Kate Peters. “We know that there are a great number of organizations looking for creative ways to raise much needed funds.”

Charities interested in participating in the program must have a 501©3 status as recognized by the IRS which includes all schools, they must be registered with the Illinois Secretary of State and must meet Better Business Bureau Standards for charitable solicitations.

An informational meeting will be held on March 9 at 9:30 a.m. at Panther Creek Country Club, 3001 Panther Creek Drive in Springfield, Illinois. Organizations interested in attending the meeting should contact Tournament Manager, Tanya Cooper at cooper@brunoeventteam.com to RSVP by March 7th.
